

## DiaTea : Herbal Tea for Diabetes (Clinically Tested)

**DiaTea: A 100% Natural & Very Effective Diabetic Drink.**

**Bioprex Labs**

Presentation : Box contains 20/30/60 sachets of 2 gms each

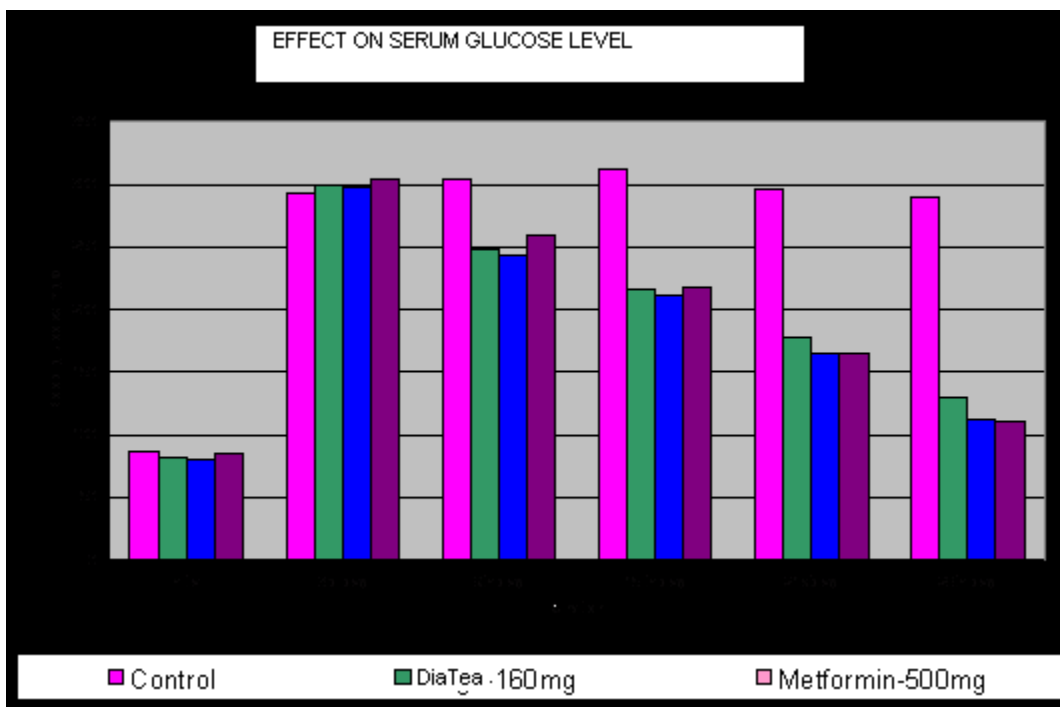

**DiaTea** provides essential nutrients from herbal sources, which –

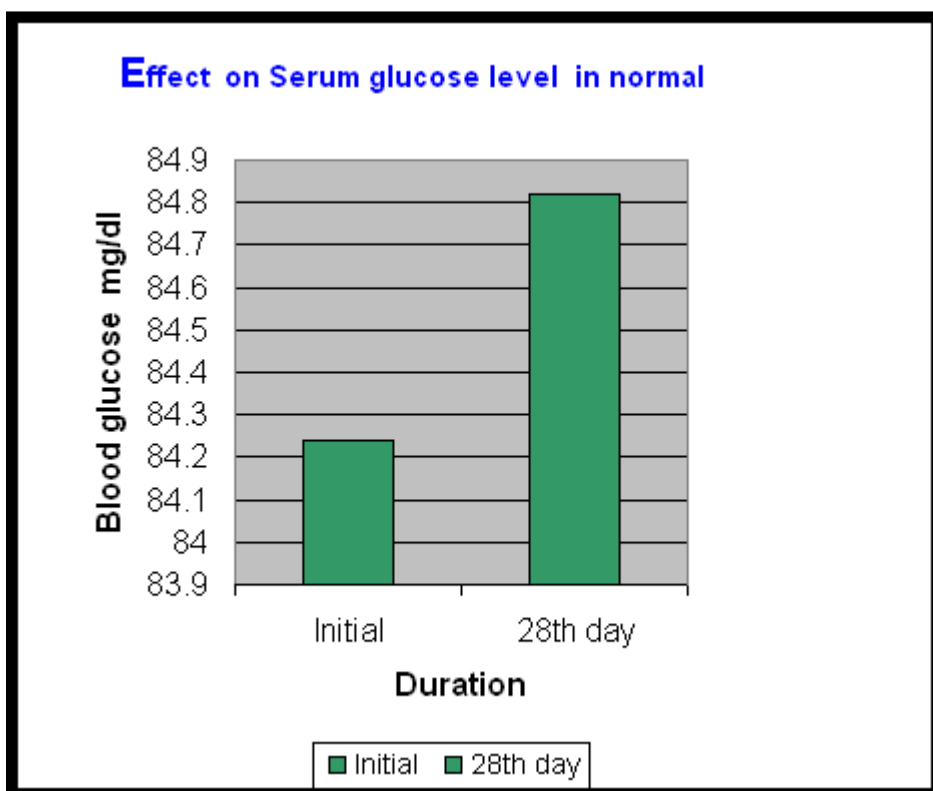

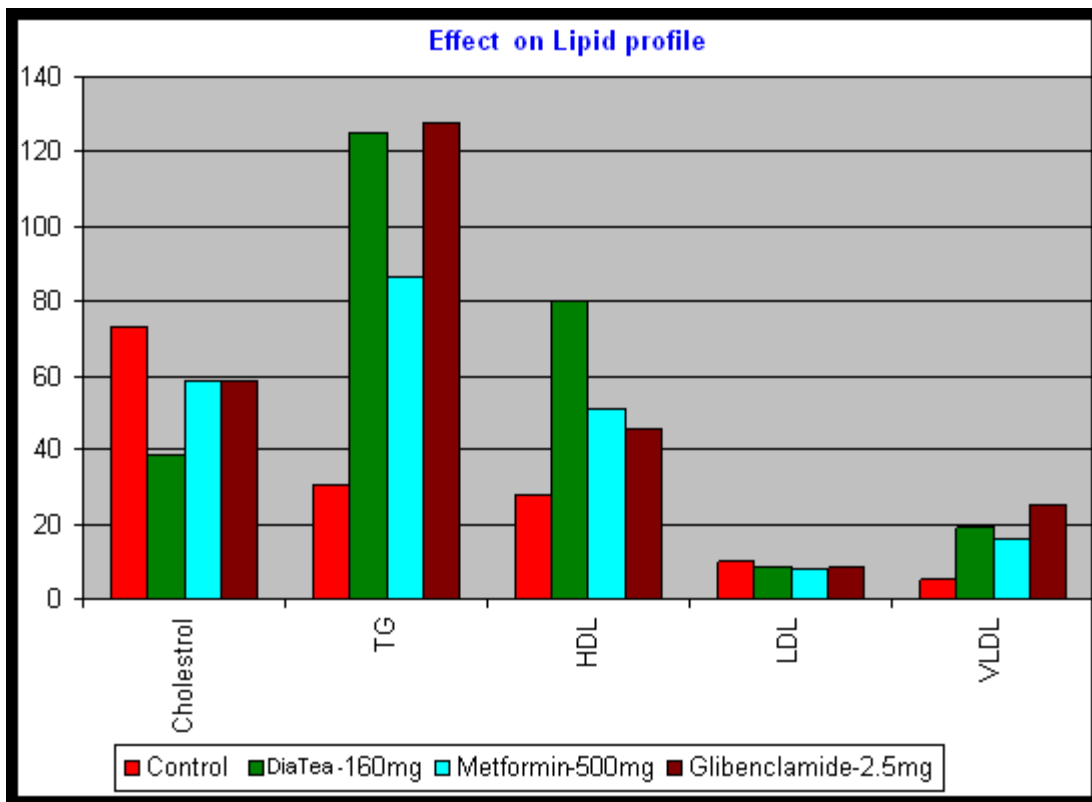

- Enhance the release of insulin from the pancreas
- Improve glucose tolerance & help the body process blood sugar
- Decrease the absorption & improve the ability to use glucose for energy.

**DiaTea** is enriched with herbal nutrients that are ESSENTIAL for healthy life in diabetic conditions.

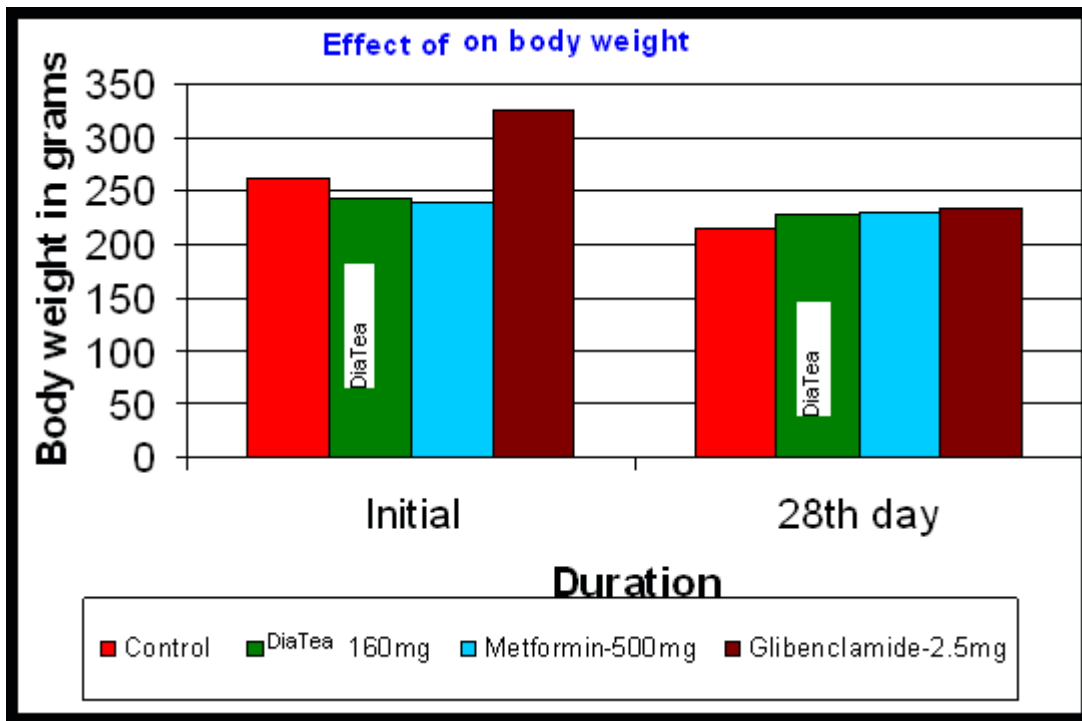

- Cassia & Coccinia : Reduce the blood sugar level
- Fenugreek Soluble & insoluble fiber : prevent the absorption of glucose
- Jammun Seeds Polyphenols : prevent the formation of free radicals
- Embellica : VIT C – Antioxidant – Helps boost the immune system
- Licorice : Natural sweetener
- Stevia Glycosides : Natural sweetener with zero or no caloric values

**DiaTea** is completely herbal. No side effects. To be taken twice daily.
